WELCOME TO

ETHIOPIA

Ethiopia is one of Africa’s oldest civilizations, known for its rich history, diverse cultures, and strong sense of identity. With a rapidly growing economy and increasing global presence, it stands today as a country balancing deep-rooted heritage with forward-looking development.

At its heart lies Addis Ababa, the nation’s capital and largest city. **Addis Ababa, meaning “new flower,”** reflects the city’s spirit of renewal and growth. Often called the political capital of Africa, it is home to the African Union and a key center for diplomacy, business, and innovation. The city blends tradition and progress from historic landmarks and vibrant local markets to modern infrastructure and emerging real estate developments.

Addis Ababa in Ethiopia represents a story of continuity and transformation
